## CHRIS & DENISE ARTHEY

### JUST ORDINARY PEOPLE

- Chris and Denise Arthey moved to Houston from England in 2007, on assignment associated with Chris' work. Chris works for ExxonMobil on new oil and gas developments around the world.
- Denise is a teacher, and while on assignment has been volunteering in two local elementary schools in The Woodlands, where they live.
- Chris and Denise have three youngsters, all in their twenties, who are working and studying back in England.
